RNDD 8th Annual Gallery Walk

eggersmann Chicago hosted the 8th Annual River North Design District Gallery Walk on September 8, 2023. Amanda Gentry and Louise Pappageorge of Alma Art and Interiors curated a mesmerizing collection of art focused on organic materials, raw materials, and depth of color from featured artists Yvette Kaiser Smith, Sherri Denault, and Helen Danelly. Jasmin Reese Interiors presented a bold and dramatic vignette of the dark sea, a bit foretelling of the spooky Hallow's Eve season ahead.

The eggersmann team enjoyed this community event, meeting local residents, new interior designer faces, new artists, and some of our clients.

If you missed the event, you can still see the exhibits and vignettes until October 10, 2023.

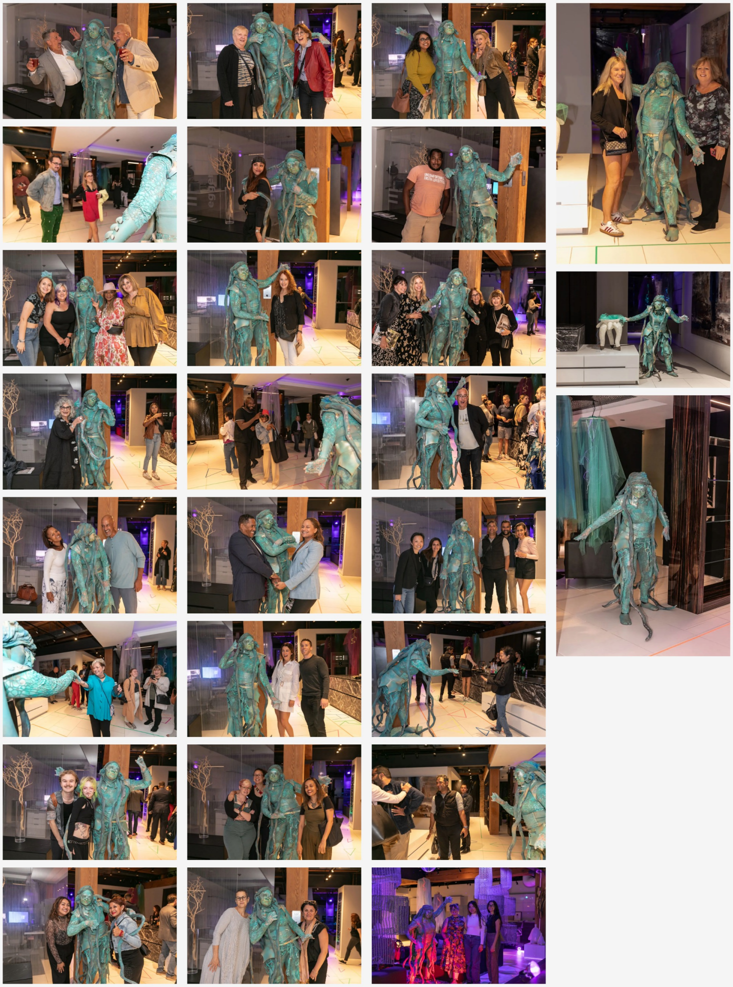
Our Live Statue Delighted & Surprised Guests

Back in 2019, for the 5th Annual RNDD Gallery Walk, we added a live statue to liven the party's Goddess of Gala theme. The animated sculpture has been the hit of the eggersmann event ever since. This year, the living statue, as always, fit the theme impeccably with organic shapes and coloration that gave you the sense of being a salvaged relic from the depths of the ocean. Guests were delighted and often surprised.



Delicious Refreshments

Guests were treated to variety of delicious refreshments.

Thanks to Our Attendees

Our guests made the party! And gave the living statue a lot to do! The entire eggersmann Chicago team thanks the artists, interior designers, attendees, and Art Walk sponsors for another fun and creative event.
